

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

NOTE.

POSTPOSITIVE ETENIM.

The statement of the syntactical works (cf., *e. g.*, Dräger, II, p. 171 (§351, 1), Schmalz, Lat. Gram. p. 309 (§200)), "Etenim is first postpositive in Horace," is incorrect. In the poets we find five examples: The first, *Scito etenim bene longincum mortalibu' morbum*, *e. q. s.*, is due to a conjecture of Muretus, the MSS having *cito (cibo) bene enim*. The second is *Afran. 369 (Rib. 2, 212) . . . etenim cotidiano in rebus maximis, e. q. s.* The last three are *Lucr. 3, 288; 5, 632; 6, 912*. Among the later poets we find the following results: Etenim is not found in Catullus (*enim* 4 times and *nam* 54). The only example in Tibullus (3, 1, 14) is postpositive. The three examples in Propertius (2, 7, 17; 2, 10, 25 (MSS *etiam*); 3, 19, 27) are postpositive. Horace has six examples (*Carm. 4, 5, 17; Serm. 1, 6, 54; 7, 10; 2, 3, 284; 5, 60; 7, 37*), with one exception (the last) postpositive. Etenim is found three times in Ovid (*Met. 14, 695; Tris. 3, 3, 77; Ex Pon. 3, 7, 13*), but not postpositive.

WILLARD K. CLEMENT.
